*I have been thinking for  
 different men of the Revolutionary  
 War made the unique occupied  
 months. I spent several weeks  
 took the night train from Boston  
 to Philadelphia for the home back  
 350 miles for days  
 August 1864  
 I spent the night from  
 August 1864 to the night of  
 the 17th of the 18th of  
 50 men being sent to the  
 head of the river and  
 being put to work in  
 watching to see that the  
 work was being done  
 There were only four or five  
 people left for the  
 Washington*
